

Meeting Minutes

Date: 5 May

Time: 12:00

Platform: face to face

Attendees: Thoriso, Simango, Sesihle, Khusello, Salimata

1. Payment Page Development

- **Progress:** Thoriso was working on finalizing the payment page.
- **Assistance:** Simango assisted Thoriso in resolving issues related to the payment functionality.

2. Website Demo Preparation

- **Activity:** The team conducted a demo of the website and reviewed the remaining tasks required to achieve 100% completion for the sprint.

3. Code Coverage

- **Explanation:** Sesihle explained the concept of code coverage and confirmed that he has met the 60% coverage requirement.

4. Application Functionality

- **Update:** Khusello discussed the application's core functionalities:
 - Freelancers applying for jobs
 - Clients accepting applications
 - Demonstrating the connection to the database

5. Admin Demo

- **Plan:** Simango stated that he will be responsible for demoing the Admin side of the application.

6. Approval for Client Demo

- **Confirmation:** Salimata, acting as Scrum Master, approved the demo, indicating that the team is ready to present to the client.
